

## Vessel Config Quick Reference – How to Create an Order or Re-Order a Saved Configuration

<u>Create Order Instructions</u> – Vessel Config allows the user to easily place an order thru Mercury for their generated Bill of Materials.

- 1. Begin building your configuration by entering the **Engine Application Information**.
- 2. Select the appropriate **Controls and Steering information**.
- 3. After the required fields are completed the Bill of Materials will be generated.

Note: All questions with a **RED** Asterisk (\*) are required and must be answered to generate a valid Bill of Material

- 4. Select Save Configuration.
- 5. Enter your Quote Name.
- 6. Choose your Shipment Priority.
- 7. Select Cross Ship Yes or No.
- 8. Enter a PO Number.
- 9. Enter the Requested Ship Date.
- 10. Update Order Quantities (as needed).
- 11. Enter Line Comments (for your reference only will not be transmitted on order).
- 12. Select Create Order.
