

Referencia rápida sobre Vessel Config – Cómo crear un pedido o volver a pedir una configuración guardada

Instrucciones para crear un pedido – Vessel Config permite al usuario hacer un pedido de su lista de materiales generada a través de Mercury.

1. Comience a construir su configuración introduciendo la **información de la aplicación del motor**.
2. Seleccione la **información apropiada de Controles y dirección**.
3. Después de rellenar los campos obligatorios se generará la **lista de materiales**.

*Nota: Todas las preguntas con un asterisco **ROJO (*)** son obligatorias y se deben responder para poder generar una lista de materiales válida*

4. Seleccione **Guardar configuración**.
5. Introduzca el **nombre de su presupuesto**.
6. Seleccione su **prioridad de envío**.
7. Seleccione **Envío cruzado**: Sí o No.
8. Introduzca un **número de pedido**.
9. Introduzca la **fecha de envío solicitada**.
10. Actualice las **cantidades del pedido** (según sea necesario).

The screenshot shows the Mercury Vessel Config interface. At the top right, there are buttons for 'Save', 'Validate Pricing', 'Create Order' (highlighted with a red box), and 'Create New Version'. Below these are tabs for 'Transaction' and 'Configuration Details', with 'Create Quote' also visible. The main area is divided into 'Quote Information', 'Quote Status', and 'Order Information' (highlighted with a red box). The 'Order Information' section includes fields for 'Shipment Priority' (Standard, Emergency), 'Cross Ship' (Yes, No), 'PO Number' (TEST PO), and '*Requested Ship Date' (03/27/2018). Below this is a table of items with columns for 'Item #', 'Item Name', 'Config Qty', 'Order Qty', 'Price', 'Total Price', and 'Comments (for reference only)'. Two red arrows point to the 'Order Qty' input fields for the first two items. A red box highlights the 'Create Order' button.

Item #	Item Name	Config Qty	Order Qty	Price	Total Price	Comments (for reference only)

Your order is NOT complete. Make any necessary changes and click on the Complete Order button.

Your shipping method is set to UPS Second Day Air. If your order qualifies for free freight, as noted in the Dealer Sales Program, you will receive UPS Second Day Air Service at no charge. Your order value can be viewed at the bottom of the Checkout and Review page. You can select "UPS ground" service for orders at your discretion on this page.

Note: Orders 180 lbs (or more) or one package 150 lbs or 130" of combined length and girth will be changed to a truck shipment, including most powerheads, gear housings, cowlings and sterndrives. All Next Day Air shipment orders that exceed these measurements will default to Quality Air Forwarding.

Emergency orders WILL NOT ship Next Day Air if the ship method is not updated below.
